MEMORANDUM FOR:

50X1

SUBJECT : Inspector General's Survey of the Technical
Services Staff, April 1957

1. In accordance with our recent conversation, I am enclosing herewith a copy of my memorandum to ~~Gen. Cabell~~, dated 31 July 1957, on the above subject.

Mr. Dulles

2. I am also enclosing a copy from my files of a draft of the narrative portion of the DD/P memorandum to the Director on the same survey. Although the final version (of which I have no extra copy) went forward slightly modified in form, it does not differ essentially from this draft.

3. Since I am sure that you have access to a complete copy of the DD/P reply, I am not sending you a copy of the specific comments which were made on each of the 160 recommendations of the Inspector General.

4. On 22 April 1957, I prepared a report for the Director on the first five years of TSS, and on 1 July, I left a copy for you in his office. You may find it of interest when reading the Inspector's survey and the enclosed papers. I will be glad to send along another copy if you should so desire.

5. The memoranda I am enclosing herewith are my personal copies, and I would appreciate your returning them to me when they have served your purpose.
